Refunds

- There are no storage refunds when using the van on or off the Park.
- Strictly no refunds will be given if you remove your van before 31st December 10.

Security

Vans are stored in our secure storage yard, away from the main Park. The alarmed gate is kept locked at all times.

For security reasons, owners are not permitted access to the storage area, therefore customers wishing to clean their van or carry out any maintenance work, however small, will need to book a pitch (48 hours notice required) and will be charged the £4 towing out fee **plus the full daily pitch fee. This service is not available during high season.**

Towing out of storage

- **No charge** if using the van on site for a minimum of 2 nights (3 in high season and bank holidays). 48 hours notice is required.
- **£4** if being used for **one night only** or **taking off** site. 48 hours notice is required.

Conditions

- Vans will only be accepted into storage with hitch locks and a copy of insurance (to be retained by the Park).
- Customers with vans in storage **do not have priority** when making bookings.
- All dates must be pre-booked with a £25 non-refundable deposit and whilst we always do our very best to oblige requests - **we cannot guarantee particular pitches.**
