## List of Equipment Recommended for Beginners

It is your choice which medium or mediums you would like to learn.

All of this equipment can be bought from any art supply shop. If buying online, Michael Carter recommends Jackson's Art supplies, Ken Bromley, or Greatart at Alton Hants.

Alternatively, local **Glastonbury shop, Dicketts, are offering a 15% discount off** the full list of equipment needed if pre-ordered. The Old Oaks will arrange for your equipment to be ready for you at the Touring Park when you arrive. If you just need one or two items, these can be purchased from Dicketts with a 10% discount, however you will need to collect these yourself before the course starts.

If you would like to take advantage of the 15% discount and convenience of having the equipment ready for you when you arrive, please indicate which items you wish to order when making your booking or you can email a list at a later date but please give us a few days notice. See below for savings.
