

Daily Minibus Service

March to October

DNA Taxis 0770 963 3561

(standard taxi service also available anytime)

An 8 seater DNA minibus will run 7 days a week and will pick up outside Old Oaks reception. You'll note that the higher the number of passengers, the lower the price per person. So it makes sense to round up a few fellow guests. If more than 8 wish to travel, please call DNA who will try to send a second vehicle.

Excellent rates exclusive to Old Oaks guests

Please note prices are per person, one way. Return prices are at the below rates only when booked & paid for on your outward journey. Returns outside of the stated times will be charged at standard DNA Taxi rates.
