Phil & Rachel

Five star touring, camping & glamping for adults

Exceptional facilities in an extra special location.

Providing hotel quality facilities and working hard for the environment.

Alongside looking after the needs of our guests, by providing modern, clean amenities, caring for the environment, lies at the heart of everything we do at Old Oaks. From the use of renewable technology and low energy lighting, to the planting of thousands of native trees and shrubs around the park, you can sleep even more soundly, knowing that your holiday will neither cost the earth, nor cost the Earth!

Explore

So much to see and do...

Put yourself right in the heart of all that Somerset has to offer.

As well as the fascinating and bohemian town of Glastonbury (3m by car, 1.5m on foot), with its rich history, myth, magic and vibrant café culture, nearby you'll find the beautiful cathedral city of Wells (6m) and spectacular landscape of the Somerset Levels, which with quiet lanes and no hills to climb, are perfect for exploring by bike, or on foot.

Glastonbury Tor

Cheddar Gorge

If you fancy a little retail therapy, just 5 miles from Old Oaks is Clarks Outlet shopping centre, with the cities of Bath and Bristol, less than 30 miles away.

Whatever your passion, you'll never be stuck for something to do in Somerset. There are grand houses and gorgeous gardens, countless nature reserves, pretty villages with real country pubs and of course, there's Somersets' famous cider farms.

For lots more things to see and do, visit our website.
