

Old Oaks

## Essential information for dog owners and their dogs

Well behaved dogs and responsible dog owners are extremely welcome at our park. Here at Old Oaks we strive to provide an enjoyable and peaceful holiday for everyone; both those with dogs and those without.

*Please take a moment to read the 'boring bits' section*

- ✿ Somerset Rural Life Museum (allowed in café, not museum)
- ✿ Fleet Air Arm Museum
- ✿ Haynes Motor Museum

### IMPORTANT - please read (the boring bits)

To ensure a peaceful and pleasant holiday for all our guests:

Dogs must be kept on a lead at all times (including on your pitch or at your accommodation), except when in the designated dog exercise area.

Dogs that cause excessive noise, display aggressive behaviour or prove to be uncontrollable are not welcome guests at our tranquil park.

Only leave your dog unattended on your pitch/accommodation, when you leave the park, if you are positive that your dog will not become distressed or cause problems for other guests.

If using an extendable lead, please be mindful of cars, cyclists and walkers.

It's worth remembering, some people are nervous around dogs.

Owners who neglect cleaning up after their pets will be reminded of their obligations to our other guests and to the park and may be asked to leave.

5 dog waste bins are provided for your convenience and are situated around the park. Please, please use them.

We do reserve the right to refuse customers or ask them to leave, should the behaviour of their dogs disrupt the tranquility of the park and/or prove a nuisance to other guests.

## Dog walking and dog minding services

Sometimes it's not always possible to take your dog to the places you want to visit whilst on your holiday. So we've teamed up with Glastonbury Dog Walkers to bring you a unique service, which will allow you to do a spot of shopping or visit the non dog friendly local attractions without the worry of what to do with your pet.

**For full details or to discuss your individual needs, please call Tracy or Cath on 01458 898083, or email them [info@glastonburydogwalkers.com](mailto:info@glastonburydogwalkers.com)**

## Dog friendly beaches

**Berrow Beach, Brean Beach & Brean Down**  
(approx 25 miles)

Dogs are permitted at all times of the year on these sandy beaches. At Brean Beach and Brean Down, it's possible to park your car directly on the sand – a great place for you and your dog to run free!

**Please take care at low tide.**

## The Countyside Code and your dog

The countryside is a great place to exercise dogs, but it's every owner's duty to make sure their dog is not a danger or nuisance to farm animals, wildlife or other people.

- By law, you must control your dog so that it does not disturb or scare farm animals or wildlife. You must keep your dog on a short lead on most areas of open country and common land between 1 March and 31 July, and at all times near farm animals.
- You do not have to put your dog on a lead on public paths as long as it is under close control. But as a general rule, keep your dog on a lead if you cannot rely on its obedience. By law, farmers are entitled to destroy a dog that injures or worries their animals.
- If a farm animal chases you and your dog, it is safer to let your dog off the lead – don't risk getting hurt by trying to protect it.
- Take particular care that your dog doesn't scare sheep and lambs or wander where it might disturb birds that nest on the ground and other wildlife – eggs and young will soon die without protection from their parents.
- Everyone knows how unpleasant dog mess is and it can cause infections – so always clean up after your dog and get rid of the mess responsibly. Also make sure your dog is wormed regularly to protect it, other animals and people.
- At certain times dogs may not be allowed on some areas of open land or may need to be kept on a lead. Please follow any signs.
